Re: RI/FS Work Plan, Field Sampling Plan, Quality Assurance Project Plan, and Site Health and Safety Plan - Area of Investigation 1 (AOI-1) of the USOR Superfund Site, 400 N. Richey Street, Pasadena, Texas

Dear Ms. Josiam:

Pursuant to Paragraphs 18 and 26 of Appendix B (Statement of Work) to the Administrative Settlement Agreement and Order on Consent for Remedial Investigation/Feasibility Study (Settlement Agreement) for the above-referenced Site, Pastor, Behling & Wheeler, LLC (PBW), on behalf of the Respondents named in the Settlement Agreement, is submitting the following documents for your final review and approval:

- Remedial Investigation/Feasibility Study (RI/FS) Work Plan;
- RI/FS Field Sampling Plan (FSP);
- RI/FS Quality Assurance Project Plan (QAPP); and
- RI/FS Site Health and Safety Plan (HASP).

Pursuant to Statement of Work Paragraph 17 and per your request, these documents are provided in Microsoft Word® document format (documents text only) and Adobe® portable document format (PDF)(entire documents). Per your previous discussions with Mr. Matthew Wickham of PBW, a link for downloading these documents is being sent to you via electronic mail.

Thank you for the opportunity to submit these documents. Should you have any questions, do not hesitate to contact me at 512-671-3434.

Sincerely,

Eric F. Pastor  
PRP Group Project Coordinator
